

Meeting Minutes – TalentSync AI

Date: [06/15/2026]

Time: [5:40PM–6:20PM]

Duration: 40 Minutes

Location: Zoom

Members Present

- Samuel Chonay
- Devin Blake
- Junnorry Fil
- Josue Guerra
- Neilia Dillon

Samuel Chonay

How many hours did I work since the last meeting?

1

What was done since the last scrum meeting?

- Continued organizing deployment documentation.
- Refined system architecture and infrastructure notes.
- Continued preparing administration documentation.

What is planned to be done until the next scrum meeting?

- Continue refining deployment documentation.
- Continue organizing AWS infrastructure plans.
- Continue updating project documentation.

What are the hurdles?

- Limited experience with AWS deployment planning.
- Infrastructure requirements may change as implementation begins.

Neilia Dillon

How many hours did I work since the last meeting?

1

What was done since the last scrum meeting?

- Continued refining UI wireframes and page layouts.

- Expanded user workflow documentation.
- Continued organizing dashboard designs.

What is planned to be done until the next scrum meeting?

- Continue refining interface layouts.
- Continue documenting user workflows.
- Continue organizing component designs.

What are the hurdles?

- UI requirements may evolve as backend requirements become clearer.
 - Limited experience designing administrative dashboards.
-

Junnorry Fil

How many hours did I work since the last meeting?

1

What was done since the last scrum meeting?

- Continued researching OpenAI integration requirements.
- Refined backend workflow documentation.
- Continued documenting API requirements.

What is planned to be done until the next scrum meeting?

- Continue refining backend documentation.
- Continue organizing API workflows.
- Continue researching implementation options.

What are the hurdles?

- Determining realistic AI features for the project.
 - Limited experience designing APIs.
-

Josue Guerra

How many hours did I work since the last meeting?

1

What was done since the last scrum meeting?

- Continued refining database schema documentation.
- Expanded table relationships and database notes.
- Continued organizing backup planning requirements.

What is planned to be done until the next scrum meeting?

- Continue refining schema documentation.
- Continue documenting backup procedures.
- Continue reviewing database requirements.

What are the hurdles?

- Database requirements may evolve as implementation progresses.
 - Limited experience designing enterprise databases.
-

Devin Blake

How many hours did I work since the last meeting?

1

What was done since the last scrum meeting?

- Continued refining security documentation.
- Expanded RBAC requirements.
- Continued organizing QA planning documents.

What is planned to be done until the next scrum meeting?

- Continue refining security documentation.
- Continue organizing QA procedures.
- Continue documenting authentication requirements.

What are the hurdles?

- Security requirements may continue changing as implementation begins.
- Limited experience creating QA documentation.
